CHD 1506/ CHD 1506G Love You To Pieces
(Girl & Boy versions) Size: 38" x 50"

There's something about little boys and little girls! Their lives are filled with imagination and play. For little boys "Planes, trains, trucks and toys" often fill their world. Little girls may lean towards "Rainbows, castles, sparkles and twirls." Whatever a child's interest, this group celebrates the love of children. It's bright, happy colors and playful patterns could be used for quilts and clothes or even to decorate an entire nursery or toddler's room. Thank heaven for these sweet little ones that bring so much love to life!
