

Fall Fantasy Flannels

Holly Taylor

Before we met, Lynn and I have both loved design and fabrics. Through conversations we've shared over the years, we learned that even as children, we both loved paisleys. So when it came time to create a collection of cozy flannel fabrics, we knew that it would include a paisley design.

Both of us are also fond of wrapping ourselves in a pretty quilt and snuggling by a fireplace on a chilly evening. So make a Fall Fantasy quilt for yourself, and one for someone special on your gift list.
